

# 5 YEAR LIMITED WARRANTY CERTIFICATE

All Laboratory Design & Supply products and workmanship are guaranteed for a period of five year from date of acceptance against any manufacturing and/or construction defects in either material and/or workmanship that may develop in service for which they were intended. Any material or construction defects will be, at our option, repaired or replaced free of charge. Labor charges for any repair or replacement will also be free of charge for this five year period. It is the intent that all warranty work be performed during normal business hours, but in the event of an emergency this warranty and its free of charge labor still applies. Grantee shall, if requested, return or make available for Grantor pickup, the defective part(s).

5018 Bristol Industrial Way, Suite 206, Buford, Georgia 30518
